# C-SCAN 16

19 - 21 Feb 2016

Computer Science Conference  
of All NITs

[www.cscan.org.in](http://www.cscan.org.in)

## Committee

**Convenor :** Dr S.D Madhukumar, Associate Professor and Former HOD, CSE Department

### Members:

- 1) Dr K. A Abdul Nazeer, Associate Professor and HOD, CSE Department
- 2) Ms Lijiya A , Associate Professor
- 3) Dr Gopakumar G, Associate Professor
- 4) Mr Ajayachandran V R
- 5) K Prasad Krishnan
- 6) Hemant Pugaliya
- 7) Aishwarya Maruvada
- 8) Vishnu Priya Matha
- 9) Vivek Kumar
- 10) Ojus Thomas Lee
- 11) Denny Thomas
- 12) Shishir Kumar
- 13) K Satya Kumar
- 14) Anas M
- 15) Supriya Soni
- 16) K Krishna Chaitanya

## About Kozhikode

Kozhikode is a major centre of higher education, learning and research in Kerala. It is the hometown of the institutions of national importance including NITC, IIMK, NIELIT, CWRDM and IISR. Direct trains to most of the major cities in India connect to Calicut. It is also well connected by road to Mangalore, Bangalore, Ooty, Coimbatore, Cochin and Trivandrum. Calicut has an International Airport which is located about 45 km away from NITC campus. Calicut, also known as Kozhikode, is known as the city of spices. Kozhikode beach, Kappad beach where Vasco De Gama landed first, Kadalundi bird sanctuary, Tusharagiri Waterfalls, Pazhassiraja Museum, Tali Temple and Kuttichira Masjid are some of the local attractions.

## About the Institute

NIT Calicut has ten departments, nine centers and three schools. It offers nine undergraduate programs and twenty five post graduate programs apart from the Ph.D. programs. The institute has good infrastructure in computing, information technology, laboratories and central library including digital library. All the departments have separate computing facility in addition to the central facility. NITC is located about 22 kilometers north-east of Calicut City. for more details visit <http://www.nitc.ac.in> .

## About the CSE Department

The Department of Computer Science and Engineering was established in 1985 and has evolved to become one of the best departments of the institute. Over the years, the Department has grown many folds and at present, it offers B.Tech degree programme, M.Tech and M.C.A programmes. In addition to the above, there are a number of students pursuing research at the Department in various fields of Computer Science. More details of the department can be found here:  
<http://www.cse.nitc.ac.in>

Phone No: 0495 2286801, 2286806, 2286800

Sponsored by TEQIP-II of NIT Calicut and  
Tata Consultancy Services Ltd.

ORGANISED BY  
COMPUTER SCIENCE AND  
ENGINEERING ASSOCIATION

Department of Computer Science and Engineering,  
National Institute of Technology Calicut, Kerala - 673601.

## About the Programme

C-SCAN 2016, the first of its kind, is a National conference aimed at bringing in the student-teacher fraternity of CSE Departments of all NITs across the nation under a single umbrella for exchange of ideas and to spark innovation. The conference would serve as a platform to promote interaction and bridge the gaps between the Computer Science & Engineering departments of different NITs. This would help identify shared research interests and community members with similar research interests, and help initiate collaboration in research projects to subsequently increase the quantum of quality research output for the research community and society. This conference presents an excellent opportunity for CSE students among various NITs to collaborate and form strong ties of technical expertise. The inaugural edition of C-SCAN would be hosted by National Institute of Technology Calicut.

## Highlights

- 1) Faculty/PhD students discussions on possible research collaborations
- 2) Discussions on internship programs and faculty exchange among NITs.
- 3) Discussions on credit transfer and possible MOOC courses
- 4) Discussions on formation of research groups at national level.

## Participants

A team of 5 members would represent each NIT. The proposed members of the team are  
1.HoD/A Senior faculty from CS Department  
2. Two B.Tech students (preferably 3rd years)  
3. One M.Tech student  
4. One PhD scholar  
5. If the institute offers an MCA course, then one IIInd year MCA student.

There are no restrictions on the selection of the team from the host, it is purely the participating institute's HoD's decision.

## Accommodation

Arrangements will be made for the free accommodation and food for the students from the participating NITs at the NIT Calicut hostels. Sufficient assistance will be provided for the faculty members for their stay in hotels near NIT Calicut campus. Around 15 rooms are reserved for the faculty participants in NITC guest house which can be booked in advance on FCFS. The conference is co-sponsored by TEQIP-II at NIT Calicut. It is expected that the faculty participants would avail the funding from TEQIP in their respective institutions or any other sources like PDA to meet the expenses towards their travel and accommodation. Local hospitality including pickup and drop will be taken care by the organising team.

## Resource persons

Experts from industry, professors and students from various NITs across the country.

## Registration

The registrations for the conference can be done through the website. Please visit the conference website [www.cscan.org.in](http://www.cscan.org.in) for more details.

## Important dates

Registrations open : 12<sup>th</sup> JAN 2016  
Last date for Registration : 31<sup>st</sup> JAN 2016  
Confirmation : 1<sup>st</sup> FEB 2016
